Listen in: Inside the County Board radio show, featuring Supervisor Dimitrijevic

Inside the County Board airs the first Sunday of each month at 9:00 p.m. straight from the studios of News/Talk 1130 WISN radio in Milwaukee. The first and only program of its kind in the Milwaukee area, *Inside the County Board* gives listeners a more in-depth analysis of action taken by County Supervisors.

Inside the County Board aims to:

- Communicate the actions of the Milwaukee County Board of Supervisors
- Explain critical issues facing Milwaukee County
- Enhance public understanding of the County's legislative and budget process
- Promote community events sponsored by Milwaukee County

This past week marked the inaugural edition of the new "Inside the County Board" radio show. In this edition, on Sunday, March 7, Supervisor Dimitrijevic went head to head with Supervisor Sanfelippo on the subject of the structural deficit that the county is facing.

Please follow the link below to hear the radio show and also to access our Twitter page to receive radio show updates.

Supervisor Dimitrijevic Hosts 2010 Student Government Day at the Milwaukee County Board

On Thursday, March 18th, the Milwaukee County Board of Supervisors will host Student Government Day. Each County Supervisor will host a high school student from their respective districts throughout Milwaukee County. While participating in this educational program, the students will shadow their County Supervisor during the County Board Meeting, share a lunch with the County Board, and receive great, behind-the-scenes tours of the Courts and Milwaukee County Sheriff's Department.

Please contact our office at 414-278-4232 if you know a student who would like to Participate in Student Government Day in 2011.

Let the Sun Shine In!! New County Board Technology Will Bring More Transparency and Participation

At our upcoming County Board meeting in March, we will consider approving a contract for a legislative workflow program here in Milwaukee County. This will allow you more direct access to our proceedings. As Chairwoman of the Committee on County Board Information Technology, I have led the effort to implement this program to reduce the use of paper, make more efficient use of staff resources, and, most importantly, provide much better public access into Milwaukee County government. I am excited about this legislation and look forward to allowing more “sunshine” here at the County Board. When the program is fully implemented, users will be able to follow legislation from its birth to adoption, see votes, review reports online, and even watch County Board meetings via webcasts online. More public participation will lead to transparency, accountability, and good, responsible government.

DID YOU KNOW??????

March is National Women’s History Month. OUR Milwaukee Public Library offers this chronology of women who have made an impact on our history.
